

30 OCT 2022 | REV PAT OWYANG | NEW SEASON, NEW THING! ISAIAH 43:18-19

SPIRITUAL OBJECTIVES

At the end of the sermon discussion, cell members will:

- a. Examine the signs to see if their season is changing
- b. Commit themselves to God as they journey through this season
- c. Seize the Kairos opportunity for healing, refreshing and cleansing in their families

SERMON SUMMARY

God is taking us into a new season and doing a new thing in our midst. There are 4 signs that He is changing your season:

- 1) Something in you has changed;
- 2) Things around you change;
- 3) People around you change; and
- 4) You will receive new or expanded instructions.

As we notice these 4 signs, there are 3 things we must do:

- 1) Perceive the new thing,
- 2) Expect it to happen by the hand of God and
- 3) Align our emotions and our expectations.

Lastly, let us trust in God's plan for us and His faithfulness in transiting us to the new successfully!

SERMON RECAP

Rev Pat preached about how there will be cleansing, refreshing, healing and how families and marriages will be supernaturally transformed. All of us are placed in sphere of influence and how we as a church are in a new season ([Isaiah 43:18-19](#)).

It is important for us to be mindful that our biggest testimonies are awaiting to be created in the future. God also wishes for us to forget the old methods and strategies and to depend on Him for new wine, new blueprints, strategies and pathways (a new GPS)

We need to look up to perceive the things God is doing. We can only conceive what we perceive. In the same manner, only something that is conceived can be birthed.

While God is unchanging, the seasons change. They change because we have passed the test, or a series of tests, and are qualified to be promoted or have something bigger to step into.

Rev Pat shared about the examples of Ruth and how she stepped into something bigger as she passed the tests of singlemindedness, loyalty, compassion and tenacity. She was brought to a bigger sphere of influence ([Psalm 16:6](#))

We know that God is changing our seasons when the current one expires. There are 4 signs:

- a. Something in you has changed - a growing sense of holy discontent and restlessness and obeying God to serve Him in a greater measure.
- b. Things around you change (eg. the story of Elisha)
- c. People around you change
- d. You received new and expanded instructions

What do we do when there are changes?

- a. Perceive the new thing. As we seek God, it is also important for us to take effort to discern and perceive the new thing; for us to be in the right posture.
- b. Expect the new thing to happen by the hand of God - to rely and obey Him for open doors and divine opportunities
- c. Align your emotions to what you perceive and expect - Let God be in charge and allow things to flow supernaturally.

Lastly, let us trust in God's plan for us and His faithfulness in transiting to the new successfully!

WORKS

Consider dividing the group into micro-groups for a deeper time of sharing as well as praying for the following items:

1. **Sermon Application**
 - For us to be watchful of the seasons we are in and the changes that come
 - For us to be steadfast and trust God in His plans for us as a church and individuals

2. COVID-19 in Singapore

- Pray for God's protection in the midst of an increase in community cases

3. World

- A swift end to the COVID-19 crisis globally, if not a reduction in cases in third world nations, and a stable environment where humans and virus coexist.
- Pray for peace especially in areas of conflict (Ukraine) and potential conflict – China & Taiwan.

4. Opportunities for Outreach

- Ask the Lord to grant you opportunities to reach out to a non-believing loved one, friend, or colleague this week as we seek to mature in Christlikeness.
